## School Overview

Gumlu State School is a Prep to Year 6 school with Prep being delivered according to the Early Years Curriculum. Gumlu State School provides quality individual education programs developed on the Essential Learnings from all the Key Learning Areas. Information and Communication Technologies is integrated across all Key Learning Areas to maximise student learnings. The school has an active Parents and Citizens Association that has contributed enormously to the education of Gumlu Students.

Gumlu State School is a small school within a farming community. The school is situated approximately halfway between Bowen and Ayr, along the Bruce Highway. The staff and student population is small which enable the social bonds to become close. Staffing allocations enable a teacher and teacher aide to work with the children throughout each school day, delivering targeted teaching. At Gumlu State School, we have fostered a multi-age philosophy that ensures that all students learn in a safe and supportive environment since 1913. A number of students attending the school come from families whose members have attended the school for several generations as well as families who are new to the Gumlu community.

Gumlu State School has a commitment to improving literacy and numeracy and we are also focussed on the importance of the Early Years in the provision of learning experiences. Gumlu State School has experienced staff provide quality learning opportunities for children to meet their educational needs and students working at a different year level to their peers are supported through a variety of strategies and may work between classrooms to maximise their learning. All students are supported through a daily reading program and a differentiation program that meets the diverse needs of all learners.

Gumlu State School focuses upon the core values of 'Care, Creativity and Commitment'. Our staff have high and focused expectations of all students. The daily program is conducted within the pedagogical framework of 'Explicit Instruction'. Learning at Gumlu State School is guided by staff who are current in teaching practise and responsive to curriculum and educational trends.

## Principal's Foreward

### Introduction

#### School Progress towards its goals in 2016

This Annual Report reflects the progress in achieving goals set during the 2016 school year. The following list has been embedded into the daily routines of the school.

- Implement explicit decoding and comprehension strategies.
- Implement the I4S Agreement.
- Implement 'Writing on Demand', focusing upon topics of interest to the students, targeting spelling, grammar, punctuation and editing strategies
- Analyze English assessment tasks to modify instruction according to individual student needs.
- Embed explicit instruction through the school's Pedagogical Framework.
- Establish feedback cycles to improve student identified targets.
- Give and receive feedback on student assessment in the moderation process.
- Develop and implement a social skills program – KidsMatter.
- Increase community involvement in school events.
- Negotiate and implement the PPDP with the Assistant Regional Director (ARD), with particular focus upon Sharratt's parameters and Reading pedagogy.
- Embed Evolution Mining Kindy for students aged 4
- Continue to embed Indigenous Perspectives through the National Curriculum/C2C
- Improve teacher capacity through professional development and professional learning communities

## Future Outlook

The futures outlook for Gumlu State School Community is extremely positive. Our expert teaching team continue to refine and develop curriculum offerings based on the needs of each individual student. We have continued to develop personalised learning targets for students and celebrate as achieved in line with the Closing the Gap Agenda and the regional focus of Putting Faces on the Data.

Our goals as set out in the Annual Implementation Plan for 2017 are:

- Monitoring student achievements
- Reading and Writing and Short Term Data Cycles
- Whole school pedagogical framework
- Instructional leadership
- Developing performance plans and professional development
- Parent and community engagement
- Attendance
- Evolution Mining Kindy for students aged 4

We aim to;

Build a positive image and reputation within our community by:

- Building high community profile with local shops & businesses and encouraging their engagement with the school
- Promoting community participation in school events and in everyday activities
- Targeted communications through letter drops, changeable sign, newsletters, web page and email which celebrate achievement

We aim to ensure that;

- Expectations for student behaviour are clearly defined throughout the school
- Effective behaviour management is implemented consistently by staff and administration
- Appropriate school behaviour is explicitly taught
- Appropriate behaviours are publically acknowledged
- A values and virtues program is developed and implemented across the school
- Student behaviour is monitored and staff receive regular feedback

# Our School at a Glance

## School Profile

|                                     |                    |
|-------------------------------------|--------------------|
| <b>Coeducational or single sex:</b> | Coeducational      |
| <b>Independent Public School:</b>   | No                 |
| <b>Year levels offered in 2016:</b> | Prep Year - Year 6 |

### Student enrolments for this school:

|              | Total | Girls | Boys | Indigenous | Enrolment Continuity (Feb – Nov) |
|--------------|-------|-------|------|------------|----------------------------------|
| <b>2014</b>  | 10    | 6     | 4    | 3          | 100%                             |
| <b>2015*</b> | 11    | 4     | 7    | 4          | 55%                              |
| <b>2016</b>  | 14    | 5     | 9    | 5          | 63%                              |

Student counts are based on the Census (August) enrolment collection.

\*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2016, there were no students enrolled in a pre-Prep\*\* program.

\*\* pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

## Characteristics of the Student Body

### Overview

Gumlu State School's enrolments are predominately drawn from the local farming community. Enrolment numbers tend to fluctuate and are somewhat influenced by the farming needs of the local community. The student population is unique, combining a rich blend of socioeconomic and culturally diverse elements. There is a mix of backgrounds ranging from single parent to nuclear and extended families. Gumlu State School is a small rural town. Many families own cattle properties and some own huge vegetable plantations. These families have seen many generations pass through our school. We are proud to continue the strong relationships with these families through their attendance at school and community functions. Some families also work in the local gold mining industry, with Evolution Mining. Evolution Mining continues to support our school in a variety of ways. Many of our families have 2 or more students attending our school and there is a small amount of families who have pre-prep students intending to enrol at Gumlu over the next 1-3 years

### Average Class Sizes

The following table shows the average class size information for each phase of schooling.

| AVERAGE CLASS SIZES |      |       |      |
|---------------------|------|-------|------|
| Phase               | 2014 | 2015* | 2016 |
| Prep – Year 3       | 7    | 2     | 14   |
| Year 4 – Year 7     |      | 1     |      |
| Year 8 – Year 10    |      |       |      |
| Year 11 – Year 12   |      |       |      |

\*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

## Curriculum Delivery

## **Our Approach to Curriculum Delivery**

As a Reef Guardian, Gumlu State School has been proudly associated with this action-based to environmental program that examines current issues affecting the Great Barrier Reef since its inception in Townsville in 2003.

At Gumlu State School, we foster a multi-age philosophy that ensures that all students learn in a safe and supportive environment. All staff plan for and implement quality learning experiences based on the Australian Curriculum (C2C). Students working at a different year level to their peers are supported through a variety of strategies and may work between classrooms to maximize their learning.

## **Co-curricular Activities**

At Gumlu, students are involved in a number of extra-curricular activities which are always well supported by students, staff and families.

Some of these include:

- Aquaponics
- Social skills program (Kids Matter)
- Cowboys football program
- Books in Homes program
- Participation in athletic carnivals
- School Camps and excursions
- Community events – ANZAC Day celebrations – school and community ceremonies.
- Arts Council performances
- Under 8s Day
- Local art exhibitions
- Visit from local wildlife organisations
- Cluster sports days
- Excursions
- Robotics
- Swimming program

## **How Information and Communication Technologies are used to Assist Learning**

A range of Information and Communication Technologies are used at Gumlu State School to assist in student learning. These include online literacy programs such as Reading Eggs and various mathematics and English programs. Teachers also use a range of ICTs in the delivery of their lessons as well as ensuring the students have a level of competency with the understanding of and use of these ICTs. At Gumlu, we have a desktop computer or laptop for every student. Additional to this, we have 4 ipads use. Students are encouraged to achieve a high level of computer skills that allow them to work within the technological age that we are currently faced with.

Students are given the opportunity to produce work that incorporates all facets of computer technology including word processing, PowerPoint presentations and work samples using the publisher program. All machines are connected to both the internet and the school network which gives a level of freedom to the students as they can access their documents at any machine within the school network. All classrooms have an interactive whiteboard installed.

## **Social Climate**

### **Overview**

The social climate of Gumlu State School is very positive and is underpinned by the values of the Responsible Behaviour Plan for Students that has been endorsed until 2017. The core values associated with this plan are Respect, Self-Responsibility, Effort and Safety. Staff is committed to building quality relationships with students and parents and to providing safe and engaging learning environments for all students. Bullying is not tolerated at Gumlu State School. Our rules are discussed daily in class and at assembly each week. We celebrate positive behaviour modelling by students. Parents are important partners in our process and are

always made aware of potential difficulties which may arise with their children. The students are encouraged to become involved in making Gumlu State School a safe and happy place to learn

Gumlu State School doesn't have a school Chaplain. Providing pastoral care for all students from Prep to Year 6 and support staff in helping students deal with any issues or concerns that may occur is an area that we are currently investigating.

## Parent, Student and Staff Satisfaction

### Parent opinion survey

| Performance measure  |      |      |      |

\* Nationally agreed student and parent/caregiver items

# 'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

### Parent and community engagement

Parents play an active role in various aspects of their child/ren's journey through Gumlu State School. Morning reading is offered within the lower classes, homework in all classes involves the students reading to an adult, and this being signed off by families. Sight words and spelling are also encouraged to be practiced at home. Gumlu State School continues to build proactive partnerships between the school, parents and the wider community. Our School recognizes that without parent participation in the educational life of their children, open and meaningful communication between home and school is significantly reduced. Trust can be maintained and further enhanced when there is an equal and contributing partnership between home and school. We encourage all parents to become active participants in their school through a variety of ways.

Our parents are partners in the education process. We value their support and recognize that without their active involvement, the learning environment at Gumlu State School would be significantly affected. Our collective desire is to provide a modern, dynamic and progressively exciting educational program necessary for our students. There are many ways in which parents are welcomed into the school both informally as well as formally.

Informal participation includes attendance at cultural and sporting events, helping in the classroom as well as being invited to attend parades where their child may be receiving an award or recognition of some kind. More formal avenues for participation include becoming members of the Parents and Citizens Association. Within all areas of the school, parents are also provided with opportunities to inform school decision making by assisting with the framing of submissions and by providing feedback on school policies. Parents assist in other school celebrations such as under 8s day, project club activities and ANZAC Day activities. Each semester, the school holds an open day where all families are invited to an information session, as well as viewing students work.

## Respectful relationships programs

Social and emotional learning is about developing the ability to care for others, make responsible decisions, establish positive relationships, and handle challenging situations. (*Collaborative for Academic, Social, and Emotional Learning, 2003*)

This component looks at the best ways of teaching social and emotional skills for all students.

KidsMatter provides the opportunity for the whole school staff to have:

- a shared understanding of why this is so important to mental health and wellbeing
- a common language for talking about it
- a shared focus on planning for improvement both within and out of the classroom
  - the information they need for selecting the most appropriate social and emotional learning program for their context.

## School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

| SCHOOL DISCIPLINARY ABSENCES    |       |        |      |
|---------------------------------|-------|--------|------|
| Type                            | 2014* | 2015** | 2016 |
| Short Suspensions – 1 to 5 days | 0     | 1      | 1    |
| Long Suspensions – 6 to 20 days | 0     | 0      | 0    |
| Exclusions                      | 0     | 0      | 0    |
| Cancellations of Enrolment      | 0     | 0      | 0    |

\* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

\*\*From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

## Environmental Footprint

### Reducing the school's environmental footprint

At Gumlu State School were proactive in developing energy and water saving strategies to ensure a reduction in our environmental footprint. Our staff, students and school community are committed to proactive energy saving strategies.

| ENVIRONMENTAL FOOTPRINT INDICATORS |                 |          |
|------------------------------------|-----------------|----------|
| Years                              | Electricity kWh | Water kL |
| 2013-2014                          | 17,719          | 0        |
| 2014-2015                          | 23,946          |          |
| 2015-2016                          | 29,407          |          |

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

## School Funding

### School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following **'Find a school' text box**.

## Find a school

GO

Sector:

Government

Non-government

SEARCH

Where it states '**School name**', type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the **Terms of Use** and **Privacy Policy** before being given access to the school's *profile* webpage.

School financial information is available by selecting '**School finances**' in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of income by funding source.

## Our Staff Profile

### Workforce Composition

#### Staff composition, including Indigenous staff

| 2016 WORKFORCE COMPOSITION |                |                    |                  |
|----------------------------|----------------|--------------------|------------------|
| Description                | Teaching Staff | Non-Teaching Staff | Indigenous Staff |
| Headcounts                 | 2              | 5                  | 0                |
| Full-time Equivalents      | 1              | 2                  | 0                |

#### Qualification of all teachers

| TEACHER* QUALIFICATIONS        |   |
|--------------------------------|---|
| Highest level of qualification | Number of classroom teachers and school leaders at the school |
| Doctorate                      |   |
| Masters                        |   |
| Graduate Diploma etc.**        |   |
| Bachelor degree                | 2   |
| Diploma                        |   |
| Certificate                    |   |

\*Teaching staff includes School Leaders

\*\*Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

## Professional Development

### Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2016 were \$[INSERT VALUE].

This information can be calculated from OneSchool data.

The major professional development initiatives are as follows:

Reading  
Writing (Sheena Cameron)  
Student and Staff wellbeing (Kids Matter)  
Student wellbeing  
Trauma Training  
Evolution Mining Kindy  
High Quality Teaching Practices

The proportion of the teaching staff involved in professional development activities during 2016 was 100%.

## Staff Attendance and Retention

### Staff attendance

| AVERAGE STAFF ATTENDANCE (%)   |      |      |      |
|--|------|------|------|
| Description  | 2014 | 2015 | 2016 |
| Staff attendance for permanent and temporary staff and school leaders. | 99%  | 99%  | 99%  |

### Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 100% of staff was retained by the school for the entire 2016.

## Performance of Our Students

### Key Student Outcomes

#### Student Attendance

##### Student attendance

The table below shows the attendance information for all students at this school:

| STUDENT ATTENDANCE 2016   |      |      |      |
|---|------|------|------|
| Description   | 2014 | 2015 | 2016 |
| The overall attendance rate* for the students at this school (shown as a percentage). | 96%  | 93%  | 95%  |
| The attendance rate for Indigenous students at this school (shown as a percentage).   | 96%  | 90%  | 95%  |

\*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2016 for all Queensland Primary schools was 93%.

| AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL |      |        |        |        |        |        |        |        |        |        |         |         |         |
|--|------|--------|--------|--------|--------|--------|--------|--------|--------|--------|---------|---------|---------|
| Year Level   | Prep | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 | Year 11 | Year 12 |
| 2014   | 94%  | DW     | 96%    | 96%    |        |        |        | DW     |        |        |         |         |         |

| 2016   | 98%  | 97%    | DW     | 95%    | DW     | 92%    | 95%    |        |        |        |         |         |         |

\*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

### Student Attendance Distribution

The proportions of students by attendance range:

Attendance Rate: ■ 0% to <85%    ■ 85% to <90%    ■ 90% to <95%    ■ 95% to 100%

### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Gumlu State School, we adopt the policy that ‘Every Day Counts’. If a student is away with an unexplained absence, a phone call home to the parents from the classroom teacher asking them to provide a valid reason for the absence is required. That is then recorded on to the school system. If absences are occurring consistently, a formal letter is then sent home to families from the principal, with the parents being asked to attend an interview. Classroom rolls are marked electronically twice daily at 8:50am and 1:45pm by classroom teachers. The Oneschool Dashboard’ provides the school with extensive information on student attendance and is used to inform future strategies associated with student absence. We also acknowledge 5 day full week attendance with a certificate and small prize on assembly.

## NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following ‘Find a school’ text box.
